Subject: RE: Public Records Request Re: Chittenden Solid Waste District illegal glass disposal

Thank you for your Public Records Act request dated October 1, 2020 and modified more recently to request responsive records not included or addressed in ANR's response of October 28, 2020.

Pursuant to 1 V.S.A. § 318(a)(5), the Attorney General's Office will need additional time to identify and review responsive documents that have not been included in the ANR response so we can respond to your request.

We will further respond within ten business days of the effective date of your modified request, by Monday, November 9, 2020.

If you have any questions in the meantime, please let me know.

Best,
Melanie
